Love INC hosted a “Church Community Conversation: Loving our Unhoused Neighbor,” with a goal to provide church leadership a safe space to learn about houselessness and consider how to best serve the unhoused neighbors at their doors. Leaders of local community organizations/ministries serving the unhoused were also in attendance to share information.

PRAYING WITH YOU

Partner churches and potential partner churches, as well as Love INC National and their affiliates are prayed for regularly. In 2024, we shared and prayed through an Advent Prayer calendar during Lent and a Pastor Appreciation Calendar for local pastors and their churches in October.

A LOVE STORY

FROM NEIGHBOR TO VOLUNTEER

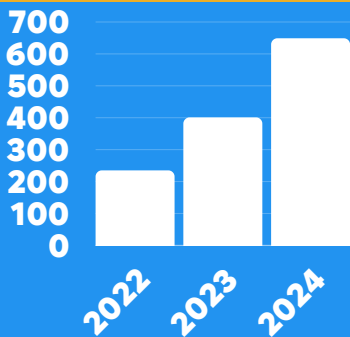

Carla's story is one of dreams unfulfilled, difficult domestic circumstances, homelessness, and finally a referral to Love INC. From neighbor in need to classes, to now volunteering, Carla said of herself, "This neighbor is so appreciative of your help; more than I can ever express in words."
