Prayer Points

Barriers to Thriving

- Under Employment: Pray for those who are working - sometimes multiple jobs - who still struggle to pay living expenses; and pray for wisdom and discernment to make dollars stretch.
- Grief: Pray for comfort and peace as spouses, children, and parents go through the grieving process; for those facing financial distress or confusion in the midst of their grief; and for family, friends and community to come around to support those suffering loss.
- Housing Insecurity: Pray for those who are newly homeless; for those escaping unsafe homes and those who are chronically insecurely housed; for the safety of men, women, children and families staying outside, in crowded shelters, or couch surfing from place to place; for the unhoused to have positive opportunities to rebuild their lives through permanent housing, employment, healthy relationships and mental health and addiction services.
- Recovery: Pray that those in recovery would find a positive and supportive community; for those in recovery to have positive opportunities to rebuild their lives through employment, housing, etc.; for those in recovery to have the serenity to accept the things they cannot change, the courage to change the things they can and wisdom to know the difference.
- Mental/Chronic Health Concerns: Pray for encouragement, strength and perseverance for those with health concerns as they navigate an often inadequate, expensive and complicated health system; for grace, wisdom and perseverance for friends and family to support them; and for those whose mental illness have been lying to them about their value and worth, that they would find hope and help.
- Loneliness: Pray for those feeling lonely to be courageous to reach out and find a supportive life-giving community; to find ways to better connect with those around us in healthy Christ-like ways; and for encouragement and healing for those who have been hurt by people in the past.
- Domestic Violence: Pray for those currently living in unsafe, controlling relationships to find the resources, strength and support to leave; for children who grow up in toxic homes to find healing; and pray friends, families and communities will have the wisdom to support families in ways that encourage healthy relationships, without enabling toxic ones.

Hillsboro Christian Churches

- Pray for strength, refreshing and wisdom for church leaders; for engagement and community among its members; and for deepening relationships with God and each other.

Love INC

- Love INC National: Pray for national staff and board of directors, for ministry success for Love INC affiliates; and for communities considering opening a Love INC affiliate.
- Love INC Hillsboro: Pray for strength, refreshing, and wisdom for board members; for new board members; and for fresh ideas, unity and clarity as they seek God's direction; pray for our staff to be empowered and equipped; for strength, refreshing and blessings; and for our staff to be blessed in their relationships with each other, volunteers, their families and God.

Gap Ministries

- Pray for strength and protection for leaders and volunteers; for more opportunities to show Christ's love to neighbors; and that neighbors will be blessed by what they receive.

Community Resources

- Pray for helping agencies, organizations, and ministries who work with Love INC to provide our community with practical, and often specialized, services.

Restoring Hope

- Classes: Pray for class participants as they learn to overcome financial obstacles, set savings goals, make a spending plan, and manage debt and loans.
- Volunteers: Pray for strength, refreshing and blessing for volunteers; for additional volunteers of diverse backgrounds, perspectives and strengths; for opportunities in which God will use their gifts and abilities to demonstrate Christ's love by coming alongside and encouraging neighbors to live out their God-given potential.
